

## How to Give a Testimony

Thank you for being willing to share with us what God is doing in your life. I believe your testimony will help and encourage others. Here are a few reminders as you give your testimony.

- Be right around 3 minutes.
- Practice your testimony at home.
- Generalize your past; don't get detailed about sin.
- Focus on how your relationship with God has changed your life.
- Utilize a scripture that has impacted you.
- Share where you are headed in the future.
- Your job is to give God the glory and give hope to others that God can give them victory too.
